

## **HAYES TOWNSHIP FREE LITTLE PANTRY & FREE LITTLE LIBRARY**

We are reaching out to our residents to help us establish a Free Little Library and a Free Little Pantry. Donations are being accepted to purchase the units. If someone has the talent and would like to build a unit, there are many building plans available.

With a little effort and heart, these will be up and running. We will be also be added to both national registries to identify our participation in these wonderful and worthwhile programs.

Please contact Treasurer Julie Collard with any questions or to assist in this project. (231)675-5927 or [treasurer@hayestownshipmi.gov](mailto:treasurer@hayestownshipmi.gov)
